## The PTAA Program

Situated in the heart of Harrison City, Westmoreland County, PTAA maintains and operates 10 baseball / softball fields at the Municipal Park Complex. At our fields, we try to provide an exciting and safe atmosphere, in which the youth from our community and beyond our borders, can excel and triumph in the traditional American pastime. Patrons of all ages, places and backgrounds have commented on the uniqueness of our facility and conveyed their enjoyment of participating in our program.

Just to give you a little idea of the number of Youth and family members that visit the Municipal Complex during a season.

The PTAA organization reaches out to about 750 area youth for the In-House baseball and softball programs each year. Games played Monday thru Saturday, filling every available time slot, including night games on fields 1, 2, 3, and 5. In addition to our spring season, which runs thru June, we also provide a fall season that runs from late August to mid October.

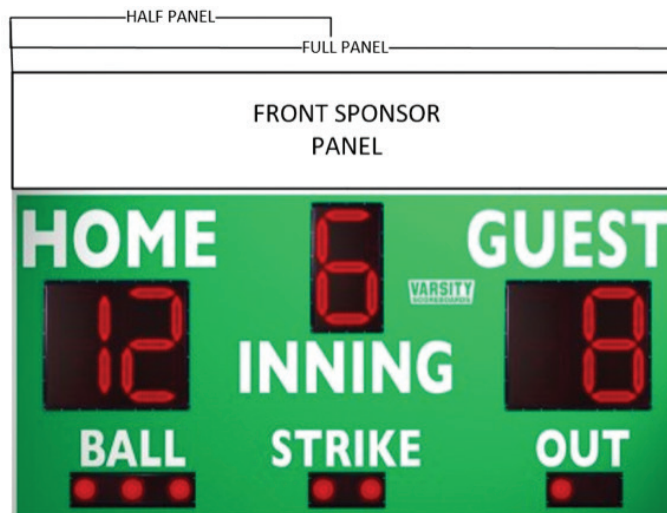

## Tournaments at our fields.

The Memorial Day Fast pitch softball tournament, which is a National Qualifier for the Girls Fast Pitch World Series, held at our location every year, on Memorial Day Weekend. This tournament brings over 100 teams from all across the East Coast. Teams from Canada, to Florida, Ohio, and New York, as well as many from the Western Pennsylvania area come to participate.

PTAA Baseball Annual tournament, which is held the week surrounding July 4th, brings together Western Pennsylvania area youth between the ages of 7 to 14 years old. This is a weeklong event hosting both B and C Division All-Star teams from the surrounding counties. You will see some of the best youth baseball in the area during this week.

PTAA Softball Annual tournament held in mid-July. This tournament is a Slow Pitch Softball tournament for the ages 8U, 10U, 12U, 14U, 16U, and 19U. Players from the surrounding counties in Western Pennsylvania come to participate in the last of our spring season competitions.

The Board and Membership of the PTAA would like to THANK-YOU for your support in the Community. The Board is very proud of the complex that our youth has an opportunity to play in, and with your contribution to the program, we can continue to provide this opportunity for the next 3 years.
